Alexandria Seaport Foundation

The Alexandria Seaport Foundation empowers young adults to build new futures through hands-on learning in our Apprentice Program. We are a safe haven for young adults ages 18-23 who are disconnected from school, work, or community.

Apprentices learn boatbuilding, woodworking, maritime trades, job readiness, and life skills while working alongside experienced mentors in a supportive, team-based environment.

Through project-based tasks and encouraging relationships, Apprentices gain confidence, practical skills, a network of supporters, and pathways toward employment opportunities, education, and long-term stability.

Wine on the Water

- Celebrate our work in the local community
- Mingle and connect with other Seaport Foundation supporters
- Meet the current crew of Apprentices and thriving Apprentice Graduates
- Savor delicious hors d'oeuvres and enjoy a selection of delicious wines, tasty beers, and non-alcoholic refreshments
- Peruse Apprentices' hand-made wooden projects
- Bid on a variety of Live Auction items that help fund the future of our work
- **Special VIP Reception** with elected officials and Seaport's Leadership for Presenting, Fleet Admiral, Admiral, Captain, and First Mate Sponsors *(see last page)*

Partner with us!

Seaport Foundation's Apprentice Program teaches young adults in our community the skills they need to build successful futures. Partners like you help us pay Apprentices' stipends, fund our expert staff, and provide the safe haven our young people need to heal, learn, and grow.

Seaport Center II, our expansion to a second floating workshop on the Alexandria Waterfront, will arrive within the next year! With this new space, Seaport will **increase** the number of Apprentices we serve.

Your sponsorship funds:

- \$14 per hour stipends for our Apprentices
- Professional staff leading and supporting our Apprentice Program, including Apprentice Graduates
- On-the-water and woodworking facilities and boats where we teach our Apprentices
- Social and mental health supports that are vital for our Apprentices' growth
- **Bright futures for our young people.**

FUTURES.
HANDCRAFTED.
